FAO: Parents, Carers and Guardians  
of New Horizons School Students.

Dear Parents, Carers and Guardians of New Horizons School Students

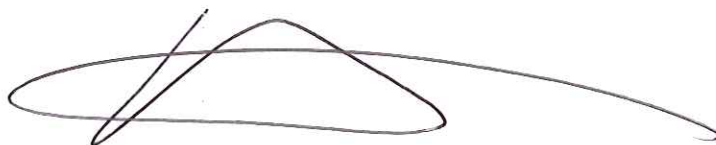

We are writing following a recent community meeting looking at the issue of parking. As Ward Councillors we know the vast majority of parents and carers use the roads around New Horizons schools responsibly. However we have had repeated reports of a minority of car users acting inappropriately putting residents and most worryingly children at risk.

We have asked the police and council officers to increase the patrols at both the start and end of the school day to ensure that those who are not following the rules are dealt with appropriately.

We are grateful that most car users recognise the importance of both ensuring they collect or drop off their children in a safe, respectful manner.

We will continue to work with residents, the team at New Horizons and car users to further improve the environment.

Many thanks for your ongoing support with this matter

Cllr Paul Godwin

Cllr Vince Maple

Cllr Mrs Julie Shaw
