

PTFA NEWSLETTER

Registered Charity Number 1171499

Thank you to those who supported the PTFA with the Disco and Film Night.
Photos to follow in next weeks newsletter!!

Let's Celebrate!

As some of you have been aware the PTFA have had their hopes on applying for charity status for a while.

Being a charity opens so many doors for small non profit organisations like PTAs. From asking for donations for prize draws and tombola's to applying for grants from external companies, charities and the government.

We decided to apply once we had voted in new committee members to the positions of chairperson, vice chair and secretary so we could have a board of trustees.

This week we got news that our application for charity status was approved and we are now officially a registered charity!!

We had a wonderfully positive meeting with Mrs Gillies about how the PTFA can help develop, grow and enhance the outdoor woodland area within the school. This outdoor area we hope will grow and bloom not only trees and flowers but the confidence and self-esteem of the children through hands-on learning experiences in an outdoor environment.

If you have any experience with outdoor learning areas we would love to hear from you! email us at newhorizonsptfa@gmail.com or speak to any committee member!

Can you spare an hour?

Being mothers, fathers and carers ourselves we know how precious family time is but can you spare an hour to help the PTFA run events like the Disco, Film Night or even help run stalls at fayres?

Even 30 minutes can make a massive difference to the events we can hold going through 2017. We are only limited by the volunteers we have!

Being part of the PTFA is fun, all the scary jobs are taken! We are a group who like to have fun and provide the children with activities they would otherwise miss out on due to school staff commitments.

Volunteering is rewarding, it is a chance to share your ideas and talents, to provide positive role models and make a positive difference within the school environment.

Please consider coming along to our next meeting on Monday 6th March @ 10:30 at school to see what we have planned!
