

New Horizons P.T.F.A meeting
8.05.18

Present

Sarah Hanmore, Andrea Hellier, School Rep A and Samantha Pain

Apologies.

None

Approval of previous minutes

Approved

Summer Fayre

We asked if we could have the support of some of the teaching assistants for a while to help at the fayre. School Rep A will look into the possibility of this.

We also asked if Mr Khan would be our willing target for splat attack again this year, School Rep A will ask on our behalf.

The issue of whether we could use the Smith Hall to run this event was raised.

It seems the P.T.F.A account for purchasing the raffle tickets is somehow no longer in existence. A new account will need to be made.

Self-portrait tea towels

Work can begin on these week beginning Monday 4th May and follow through to the week beginning Monday 21st May. There are several school events and trips running over this period so we will have to fit in around the days the children are free.

Chamber of commerce

We brought School Rep A up to date on recent events concerning New Horizons P.T.F.A joining the Kent Invicta Chamber of Commerce.

We passed on copies of our networking info to School Rep A with a brief verbal outline of the things we aim to achieve from Joining.

We also need to re explore the viability of the P.T.F.A creating its own web site to enable the contacts we make learn about us and our proposals.

School Rep A to ask permission for us to do this as we were refused permission in the past.

Funding from the P.T.F.A for curriculum activities

It was agreed by all persons present that we can no longer accept requests to pay for curriculum events. We will continue financing_ for the things the P.T.F.A have implemented such as the chicks and ducklings etc.

Coffee afternoon

We have agreed with so much to do for the summer fayre at this point we will set a date for a coffee / cake sale afternoon when the new academic year starts in September.

Any other business

None

Date for the next meeting

Tuesday 5th of June at 10.30
