

July 2018

Dear Parent/Carer

The Victory Academy Admissions September 2019 – applicable to Current Year 5 Students

From September 2019 The Victory Academy is moving to a fair banding admission system. This will mean that any student who wishes to apply to The Victory academy **must** attend a fair band testing date on either **Saturday 8th September** or **Saturday 20th October 2018**. Additional information regarding the test can be found on the Academy website and on the Medway Council's website under Schools and Education.

This is not a pass/fail test, but a test to tell us what ability band the child should be placed in, should they gain a place at the Academy. It is a National Foundation for Educational Research (NFER) Cognitive Ability test.

Students will only be able to attend the testing day if they have been register and as such a registration form must be completed and returned to the Academy in order to register for the test. Registration forms can be found on our website in the admissions section, or collected from main reception at the Academy.

Please note this is an updated admission procedure from previous years, so if students already have a sibling at the academy their admission procedures will be different.

Yours sincerely

Ms M Gage
Principal
