

5<sup>th</sup> September 2018

Dear Parents/Carers,

As you may be aware, knowing times tables to instant recall is a vital skill that your child will need for Year 6 and beyond.

Therefore, we are offering an exciting opportunity for your child to develop and improve their times tables knowledge. We have subscribed to Doodle Maths, which is an online resource and are offering daily sessions before school in the ICT suite, starting at 7.40am, starting Monday 10<sup>th</sup> September. Children will be admitted into school through the hall doors, the same as Breakfast Club. Any siblings will also be welcome and can access the school library during this time.

Doodle Maths is also accessible at home and we would appreciate any parental support you can give, as this will benefit your child even further. Your child will be given their log in details in order for them to continue improving their times tables knowledge at home as well as in school.

If you have any questions, please do not hesitate to contact me to discuss them.

Yours sincerely,

Miss Morgan  
**Assistant Headteacher**
