

Term 5

## Cornerstones Showcase!

Nursery

Can we explore it?

### Suggested ideas

Can you explore your local park? Can you create a collage using the natural resources you have found?

Can you create a treasure map?

Can you explore your local environment? Take a photograph of all the numbers you find!

Can you use junk modelling to create your own explorers backpack?

Can you take photographs to record your journey from your house to the school? Can you put this into a flow map?

Can you go on a sound hunt? Can you take photographs of all the different objects that make sounds in your house?

Can you draw a list of equipment you need to take with you on an expedition? Can you label any of the objects with the initial sound?

Can you draw a front cover for your own 'Adventure story'? Can you write your name on the front as the illustrator?

Can you create your own 3D vehicle that will transport you on your journey? Can you label you transport with the initial sound?

Can you find 2D shapes in your house? Can you draw around these to create a 2D shape picture?

Create a neckless using resources you can thread.

Create a 'Mystery Feely Box'; can your family members guess what is inside?

As well as the academic Homework, including daily reading, that the children complete, we want to encourage and celebrate the children's creative side. The children are encouraged to use their thinking hats to create a piece of Homework that we can share with the whole school community. They can pick from one of the suggested ideas or create an idea of their own.

The children will vote for the most creative homework (green hat thinking) from each class!  
Good luck!

Deadline for entries:

Tuesday 25<sup>th</sup> May
