

Term 5

Cornerstones Showcase!

Year 2

Land Ahoy!

As well as the academic Homework, including daily reading, that the children complete, we want to encourage and celebrate the children's creative side.

The children are encouraged to use their thinking hats to create a piece of Homework that we can share with the whole school community. They can pick from one of the suggested ideas or create an idea of their own.

The children will vote for the most creative homework (green hat thinking) from each class!
Good luck!

Suggested ideas

Search the web or non-fiction books to find out about a famous boat or ship. Make an information book by writing down interesting facts, downloading images or making drawings. Famous ships to choose from include RMS Titanic, the Santa Maria, the Cutty Sark or HMS Belfast

Design and make a boat to take part in a class boat race. What materials will you use? What shape will your boat be? What name will you give it?

Make a pirate treasure chest using a lidded box and other recycled materials. What will you keep in your treasure chest?

Make a map of your home and local area to show all the main features. Include physical landmarks such as beaches, hills or forests, as well as human features such as shops, farms or harbours. Where would be a good place to hide treasure? Can you plot a route to find it?

Look at holiday brochures or travel websites and talk about holiday destinations around the world. Which seas or oceans are close to each destination? Locate them on a world map.

Design your own pirate character. What will they be called? What will they look like? What will their personality be like?

Make a model of a famous boat or ship. Use your research to find out information to help you.

Deadline for entries:

Tuesday 25th May
