

Term 5

Cornerstones Showcase!

Year 4

Blue Abyss

As well as the academic Homework, including daily reading, that the children complete, we want to encourage and celebrate the children's creative side.

The children are encouraged to use their thinking hats to create a piece of Homework that we can share with the whole school community. They can pick from one of the suggested ideas or create an idea of their own.

The children will vote for the most creative homework (green hat thinking) from each class!
Good luck!

Suggested ideas

Why is the ocean blue? Go on... find out!

How many amazing shark facts can you find? Build them into a presentation.

Write a 'true or false' quiz with fascinating facts about creatures and plants under the sea.

Create Top Trumps style fat cards about creatures of the Great Barrier Reef.

Create a picture dictionary of plants and creatures of the ocean.

Use the web with an adult to find out about famous undersea explorers, such as Robert Ballard, Sylvia Earle and James Cameron.

Draw the view of the ocean you might see if you are looking through the window of a submarine.

Design an 'under the sea' board game. What creatures might your counters represent?

Write a story about a diver's exploration of a coral reef.

Write a poem about the creatures living in the Blue Abyss.

Research how to scuba dive and write a set of instructions for a new diver.

Make a tourist leaflet about Australia's Great Barrier Reef.

Deadline for entries:

Tuesday 25th May
