

Term 5

Cornerstones Showcase!

Year 5

Allotments

As well as the academic Homework, including daily reading, that the children complete, we want to encourage and celebrate the children's creative side.

The children are encouraged to use their thinking hats to create a piece of Homework that we can share with the whole school community. They can pick from one of the suggested ideas or create an idea of their own.

You can upload examples of your fantastic work onto Seesaw.

Suggested ideas

Present a list of the environmental advantages and disadvantages of using local land for allotments

Find out how many people in school grow their own fruit and vegetables. Design a graph or chart to show your findings

Write a letter to local businesses persuading them to sponsor your school allotment or contribute items to help you develop it.

Collect images from magazines to make a great visual background displaying an allotment poem.

Create a sensory trail! Find flowers of leaves with a fragrant scent, or plants with interesting textures. Take an adult on your trail, perhaps blindfold them to test their sensory perception!

Make a flower arrangement using florist from blocks and found foliage. Decide on a theme or colour scheme for the arrangement. Photograph your finished piece to show others at school.

Attract birds to your garden by making them a delicious cake. Combine melted lard with seeds, nuts and dried fruit. You'll find lots of recipes online.

Deadline for entries:

Tuesday 25th May
