

Term 5

Cornerstones Showcase!

Year 6

Tomorrow's World

As well as the academic Homework, including daily reading, that the children complete, we want to encourage and celebrate the children's creative side. The children are encouraged to use their thinking hats to create a piece of Homework that we can share with the whole school community. They can pick from one of the suggested ideas or create an idea of their own.

You can upload examples of your fantastic work onto Seesaw.

Suggested ideas

Explain some common computing terms to a friend or family member who might not have heard of them: firewall, app, e-book, emoticon, phishing, wiki, blog and QWERTY.

Make a list of all the computerised and robotic devices in your home. Ask a relative or friend to do the same with their home and compare lists. Are there any differences? Present your findings using ICT

Write a biography about a significant figure in the computing world.

Make a digital presentation about the web and include guidance for online safety.

Design an internet 'scavenger hunt' for your parents or carers of 10 or more things to search for using a computer. Could they do it? Give them a mark out of 10!

Research and identify useful apps designed to help people improve their spelling or learn their times tables. Present your work as a list of hyperlinks..

Listen to a podcast and make a note of any key facts and information. Report your findings back to the class. Would you recommend they listen next week?

Survey your friends, family and classmates to find out how much time they spend online, texting or watching TV each day. Present your findings in a chart

Write a diary entry using only emoticons! Share your ideas with a friend. How well do the emoticons show what you did and how you felt?

Deadline for entries:

Tuesday 25th May
